Theme

Within the walls of our school there lives a spirit, "The Spirit of New Rochelle High School." He may be seen at club meetings, band rehearsals, pep rallies, and football games. He is a scholar, a musician, a cheerleader, and a football player. When we entered New Rochelle High School as frightened sophomores, "The Spirit" was there to greet us and assuage our fears. We were plagued with double sessions and construction, but with "The Spirit's" help we overcame our problems. Our classmates gained honor, and our football team achieved an undefeated season. Three classes bound together as one, we emerged triumphant. Year after year "The Spirit" has led New Rochelle High School on to victory; there comes a time, however, when he must bid farewell to his old friends and prepare to welcome a new class. Now, "The Spirit of New Rochelle High School" waves good-bye to us, and so we say thank you for a successful and spirited high school career.

ROCHELLEAN

Dedication

As we remember the years we have spent at New Rochelle High, the personality of our wonderful principal, Miss F. LORETTA COONS, will always be foremost in our minds. We shall remember with love and respect her pride in our school, her devotion to every student, and her unparalleled leadership.

Miss Coons has had extensive experience in the field of education. Her outstanding career indicates not only her ability but also her dedication to the educational system in New Rochelle. She was the assistant principal of Albert Leonard when it was a high school, and she was principal of Isaac Young Junior High. For seven years she served as president of the Teachers' Club of New Rochelle.

Miss Coons attended many institutions while pursuing her education. She received a Bachelor of Arts degree at the New York State College for Teachers, and she later received her Master of Arts degree at Boston University. To continue with graduate work, she attended New York University and the Teacher's College of Columbia.

Miss Coons, who is an ardent golfer and tennis player, has always recognized the value of physical education. Our class will ever be grateful for her enthusiastic support of our athletic teams. Her concern for their welfare and her pride in their victories have inspired the entire student body.

Our principal has served us with knowledge and skill. She has never failed to inform the students when a member has achieved a commendable honor. She has also guided us through our difficulties with a faithful, positive attitude. Each time she has spoken to the student body, she has received an overwhelming response. Miss Coons has helped to mold our minds and our hearts. To express our gratitude to our beloved principal we, the class of 1961, dedicate this yearbook to her.

TO THE CLASS OF 1961 NEW ROCHELLE HIGH SCHOOL

You have lived through three very difficult years at New Rochelle High School insofar as the new addition and modernization of the old building are concerned. You have been fortunate that, during these three years, you have had the guidance of an outstanding Principal like Miss F. Loretta Coons. Her leadership and your own fine spirit have enabled you to surmount the difficulties which bothered so many of us as adults.

Your record as a class has been outstanding. For this you will long be remembered, and also be known as the final class to graduate under Miss Coons' administration of the school. New Rochelle High School has achieved its fine record because of the fine student body and the excellent records its graduates have made in the world of work and in the colleges and universities which they have attended. Everything that is fine about New Rochelle High School stems from the wise and kindly leadership of Miss Coons.

We wish you success in all of your future endeavors, and Miss Coons many happy and active years in retirement from her administrative duties. May her satisfaction be that which comes from the knowledge of work well done and the deep gratitude of her students, professional associates, and an appreciative community.

HAROLD A. DALEY
Assistant Principal

The position of assistant principal of as large a school as New Rochelle High involves many responsibilities. Discipline must be enforced and both small and important problems must be solved. Mr. Daley has become in this position one of the most respected and devoted members of our faculty.

His ability to understand young people has made him one of the best-liked members of the administrative staff of the school. Mr. Daley has given generously of his time to help us with our school activities and has been of great assistance particularly with G.O. programs. His quiet ways and friendly manner have contributed much to the atmosphere of New Rochelle High.

The members of the Class of 1961 wish to thank you, Mr. Daley, for all you have done for us during our stay in New Rochelle High School.

JOHN T. DONOVAN
Assistant Principal

JOHN T. DONOVAN
Assistant Principal

Equally sharing the duties of the position of assistant principal with Mr. Daley is Mr. Donovan who was a teacher of English and speech before assuming his present responsibilities.

Throughout our years at New Rochelle, Dr. Donovan's wit and humor have drawn him close to the student body. He has become a friend to many of the students because of his warm personality and sense of fun. Despite the circumstances under which one may come in contact with him, all are aware of his sincere interest and desire to help.

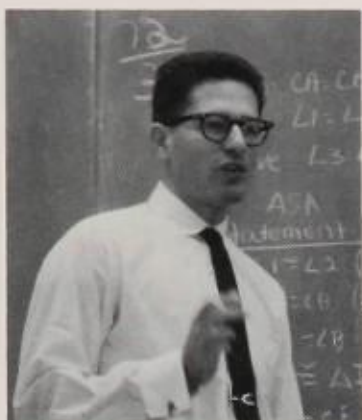

Mr. Donovan's interest in school activities has been continual. His sponsorship of the Future Teachers of America exemplifies his deep concern both for his profession and for the youth who will become educators in the near future.

The Class of 1961 would like to extend its thanks to you, Mr. Donovan, for helping to make the past three years the most memorable of our school career.

FRANCES GARAFOLA

In Memoriam

We will always remember *Frances Garafola* with admiration. We will long recall her friendliness, her sincerity, her excellence as a student. Most of all we will remember with deep respect her quiet courage in the face of personal tragedy.

Frances was a fine student and a participant in many activities. A scholarship club member, Frances did very well in all her subjects and was especially outstanding in mathematics. Her school activities included intramurals, chorus, and safety patrol.

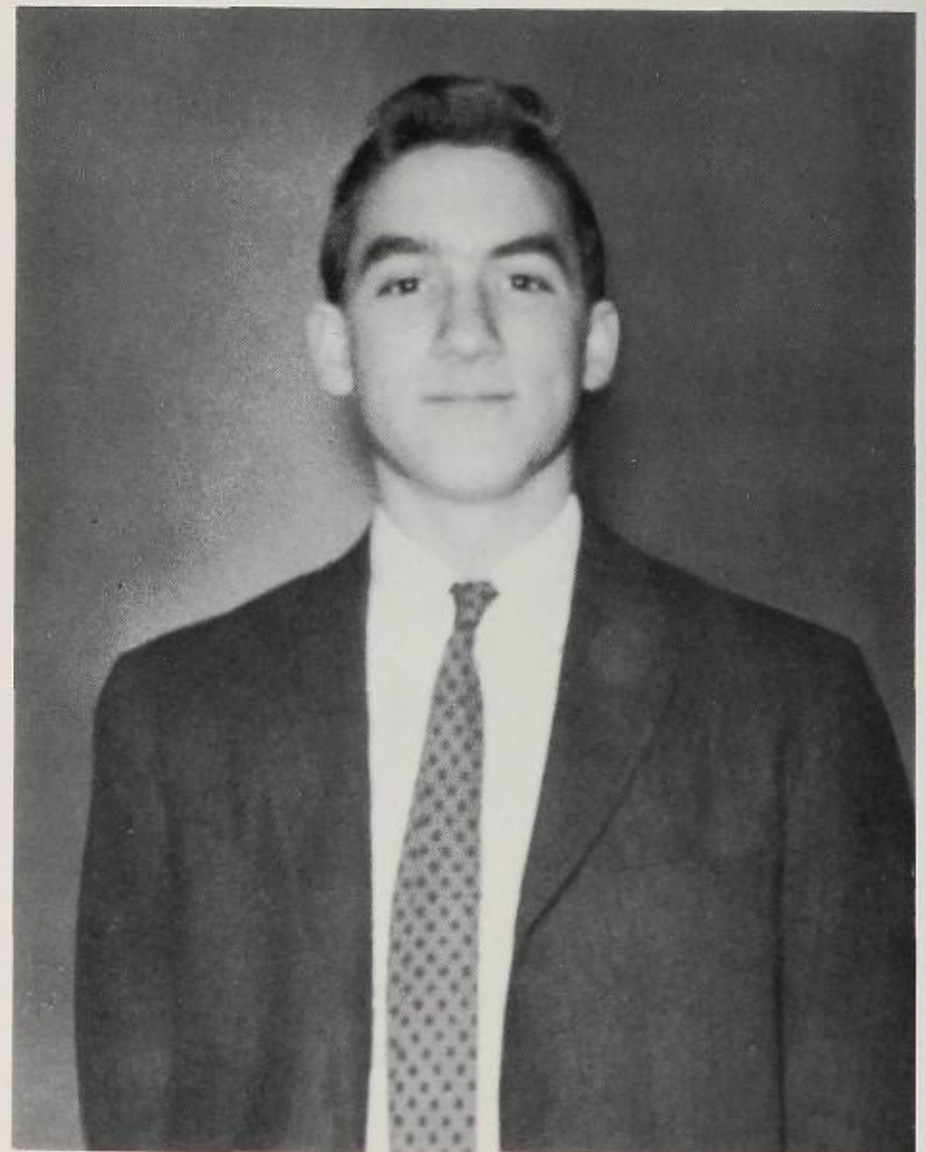

We, the classmates of Frances Garafola, are proud and fortunate to have known her. The memory of her indomitable spirit will be a lasting inspiration to us all.

To everyone who knew him, *Phillip Ranc* was characterized by sincerity and integrity. He showed a deep concern for others which was demonstrated in everything he did. Always willing to help his friends, Phil often took their problems upon himself, and was never content until a solution was found.

Perseverance was one of Phil's dominant traits. He found his studies to be most challenging, and he never permitted other activities to take precedence over them. A consistent "B+" student, Phil was a member of the New Rochelle High School Scholarship Club.

Phil was an active participant in extra-curricular activities as well. Intramurals provided him with a major source of enjoyment, and he was a member of teams in all sports. Phil loved music and sang in choir throughout his school career. His interest in music was furthered by his study of the piano for several years.

Phillip Ranc was a person who would have accomplished much in his lifetime. His absence is felt, not only by his family and close friends, but by everyone even remotely associated with him.

SENIOR CLASS *History*

As with each preceding class, "the Spirit of New Rochelle High School" has grown with us from our first day as sophomores to graduation day. For the Class of 1961 this has been an especially remarkable accomplishment in the face of what appeared to be insurmountable obstacles. However, under the guidance of Miss Coons, the faculty, and our class officers the goal of class spirit has been achieved.

At the commencement of our sophomore year, our outlook was one which saw school spirit as something exclusive to the juniors and seniors. The five extra hours of sleep made available by the afternoon sessions did not compensate for our losses. Although we felt alone as we began our high school life, under the able leadership of John Seeman, Marjorie Richardson, Lora Buckingham, and Jimmy Siegel, we soon found ourselves integrated with the rest of the school in spirit.

Our junior year brought quite a change in extracurricular opportunities as well as in school hours. In addition to joining upperclassmen at football games, dances, and other school

functions, we were able to participate with them as members in school organizations. John Mazzulo headed the slate of officers with Judy Siegel as vice president, Lora Buckingham continuing in the office of secretary, and Carol Yacolucci as treasurer. The highlight of the year was our junior prom, "Rhapsody in Blue."

This year, as seniors, we were students of a school united in body as well as in spirit. Despite the obstacles posed by an unfinished building, the Class of 1961 has established an outstanding record in scholarship and athletics. In keeping with this record our fine officers were David Graham, president; Judy Siegel, vice president; Claire Sidelman, secretary; and Carol Yacolucci, treasurer.

We, the Class of 1961, upon leaving New Rochelle High School, take with us the spirit which has grown with us as well as the fond memories of our senior prom, Class Day, and Graduation Day.

THE SENIOR COUNCIL

Each week during the year, the Senior Council, consisting of the class officers and homeroom representatives, met to discuss programs and plan activities for the various functions sponsored by the class. This year a new senior store was initiated by the Council and chairmanned by Lovey Ruggiero. The store offered senior buttons, beanies, and stuffed animals to the student body. In order to earn money for senior activities and the class gift, breakfast sales as well as cake and candy sales were organized by the group.

The dances given by the class were ably planned by the Council which also formed the schedule of events for the Senior Week activities. The members of the group included: Mark Bailey, Joan Bell, Sue Burkhart, Joan Crooke, Anyo Domoto, Andy Dworkis, Kathy Fulves, Jane Gristle, Alice Hoffman, Barbara Jacobson, Ken Kramer, Ann Lucas, Diane Mayer, Sharon Nathan, John Pugliese, Bruce Raines, Nancy Ritvo, Iris Schoen, Joan Silverstein, Nancy Steinhaus, Leslie Tobias, and Mark Woolsey.

ACTIVITIES

GENERAL ORGANIZATION

OFFICERS

<i>President</i>	<i>Secretary</i>
JOHN SEEMAN	LORA BUCKINGHAM
<i>Vice-President</i>	<i>Treasurer</i>
PETER SKOLNIK	GEORGE HECK

The work of the G.O. was skillfully carried on this year by President John Seeman, Vice-President Peter Skolnik, Secretary Lora Buckingham, and Treasurer George Heck. A full program of activities was initiated including an expansion of the discount plan begun last year.

"Fiesta de Otoño," a dance sponsored by the G.O. in November, was one of the organization's most successful endeavors. Also part of the year's program was a theater party; the off-Broadway production, *The Fantasticks*, was seen.

As in other years, much of the G.O. work was carried on through committees. The Constitution Committee undertook the task of rewriting the constitution. The Ways and Means Committee supplemented the treasury's funds by holding several cake and candy sales. A Student-Teacher Activities Group was formed to promote better relations between teachers and students.

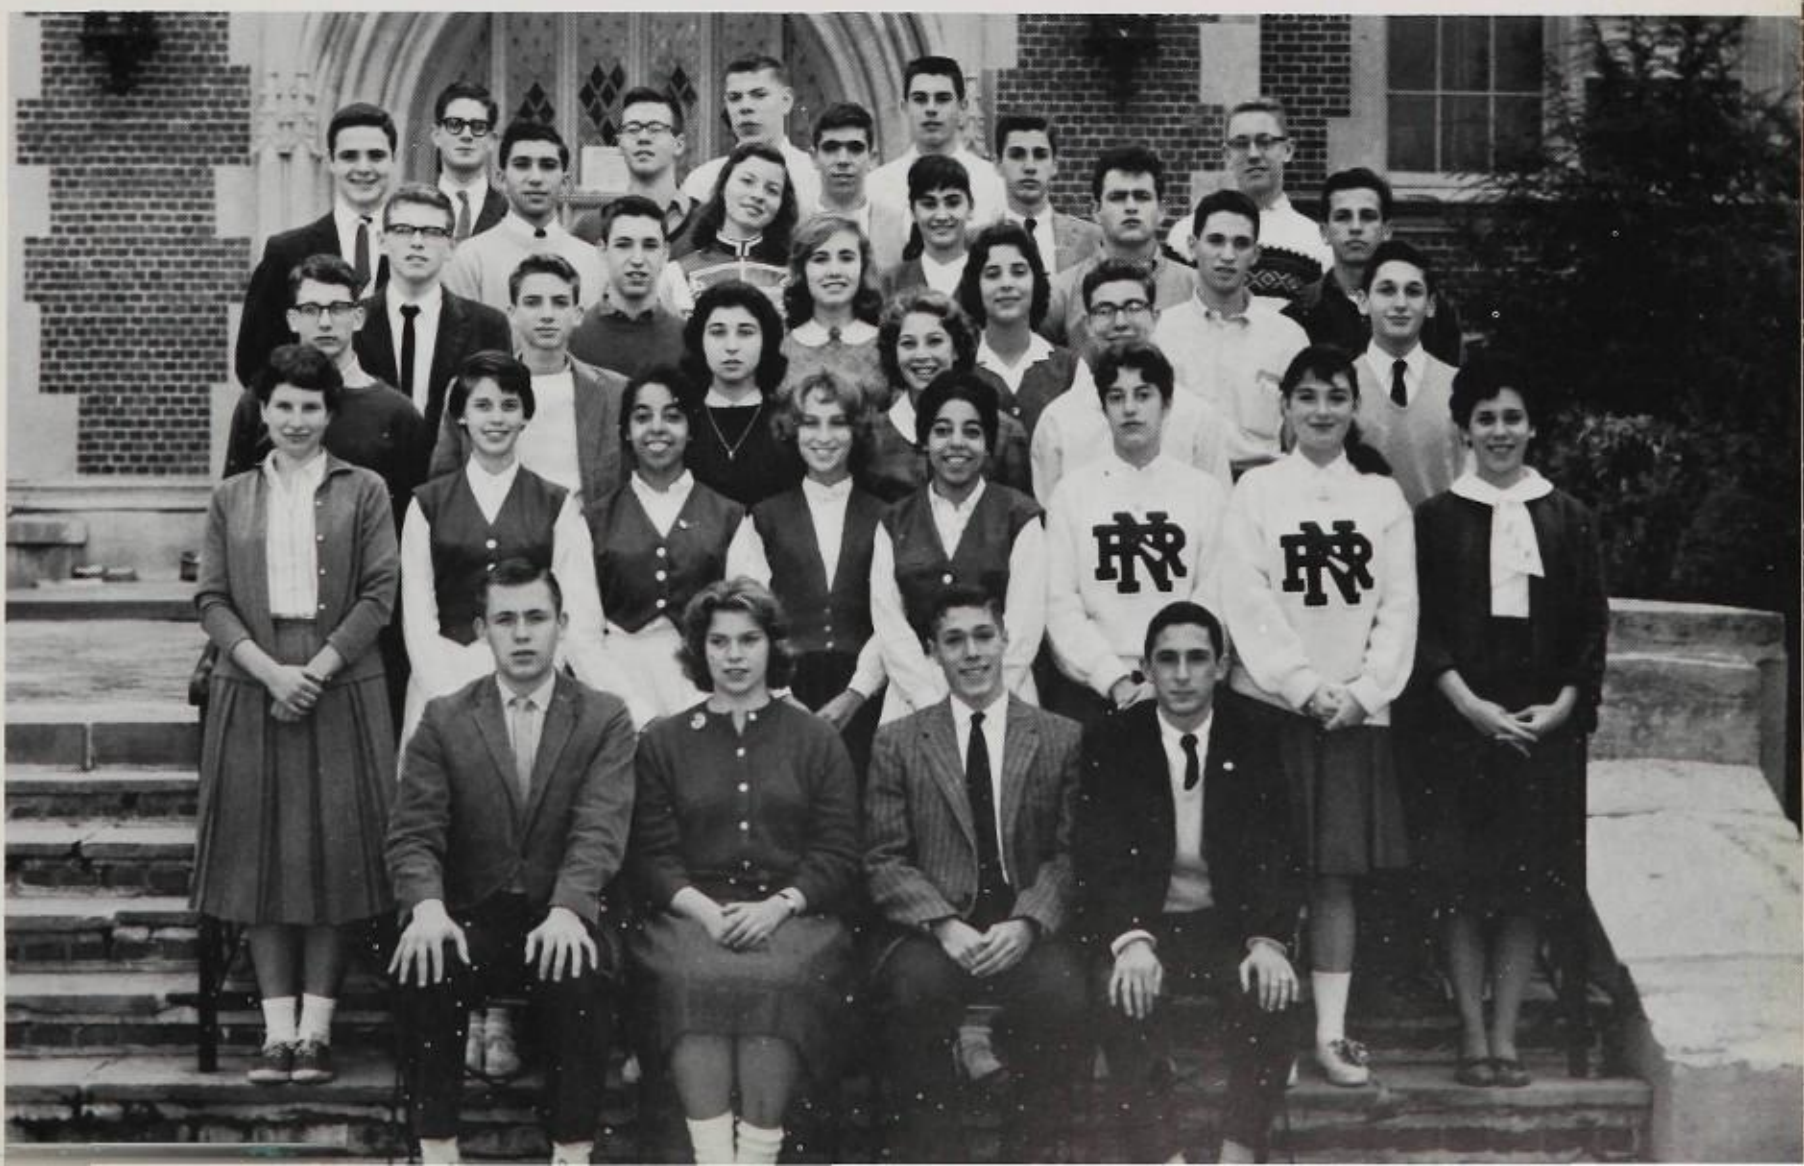

The work of the G.O. this year has created a strong bond between the three classes. It has built a firm foundation for the future organizations of New Rochelle High School.

G.O. COUNCIL

G.O. COMMITTEE CHAIRMEN

NATIONAL HONOR SOCIETY

"Scholarship, character, leadership, and service" is the idealistic motto of the National Honor Society. The promotion of these ideals, not only among its members, but in the entire student body, is the purpose of the New Rochelle High School Chapter.

Although high scholastic achievement is the primary prerequisite for election to the National Honor Society, candidates must display the other characteristics described in the motto. Members of the New Rochelle High School chapter are chosen by members of the faculty. Led by Peter Rabinowitz, President; Adrienne Marsh, Vice President; and Katie Spitz, Secretary, the

senior members of the Honor Society include Stephen Arons, Anthony Barnert, Donald Bishop, Jane Dickler, Susan Jacobson, Harry Kopp, Rowena Lichtenstein, Karen Metzger, Sandra Miller, Sharon Nathan, Judith Pinto, Estelle Pisetsky, Arlene Plotinsky, Roberta Reb, Adam Sorkin, Donald Stang and Judith Trauner. Mr. Edward Pascuiti is sponsor of the organization.

Because membership is of an honorary nature, the Society has few activities. The highlight of the year is the impressive induction ceremony held in the spring, at which new members take the oath to uphold the standards of the National Honor Society.

THE CHOIRS

The New Rochelle High School Choir, composed of over 300 members, has contributed greatly both to our school and to our community. The choir, under the superb direction of Mr. C. J. Broadhead, has become famous all over the county.

The entire New Rochelle choir consists of the "A" Choir, the Seniors; the "B" Choir, the Juniors; and the Sophomore Choir. A Girls' Chorus has recently been added to the New Rochelle music program. For the first time in three years, each choir was able to rehearse individually. Formerly, choir students from all three grades rehearsed together.

The choir participates annually in the Christmas and Spring Concert. The "A" Choir, during the Christmas season, sings at the First National Bank for the benefit of the entire community. The Double Octet (consisting of 32 select members of the "A" and "B" Choirs) has sung at the Y.M.C.A. and at the New Rochelle Hospital, and has participated in an all-county Music Festival.

The choir of 1960-1961 will not forget Mr. "B's" help and understanding. Teaching at New Rochelle High School for thirty years, Mr. Broadhead has never failed to develop an outstanding choir.

Sophomore Choir

THE ORCHESTRA

Under the inspiring direction of Mr. Bryant A. Minot, our school orchestra has become one of the finest in the county. New Rochelle High School's seventy-five piece orchestra is indeed an organization in which we may all justly take pride.

For the first time in three years, Juniors, Sophomores, and Seniors were able to rehearse together during school hours. Formerly, the Sophomores joined in rehearsal with the upper classmen on alternate Monday nights.

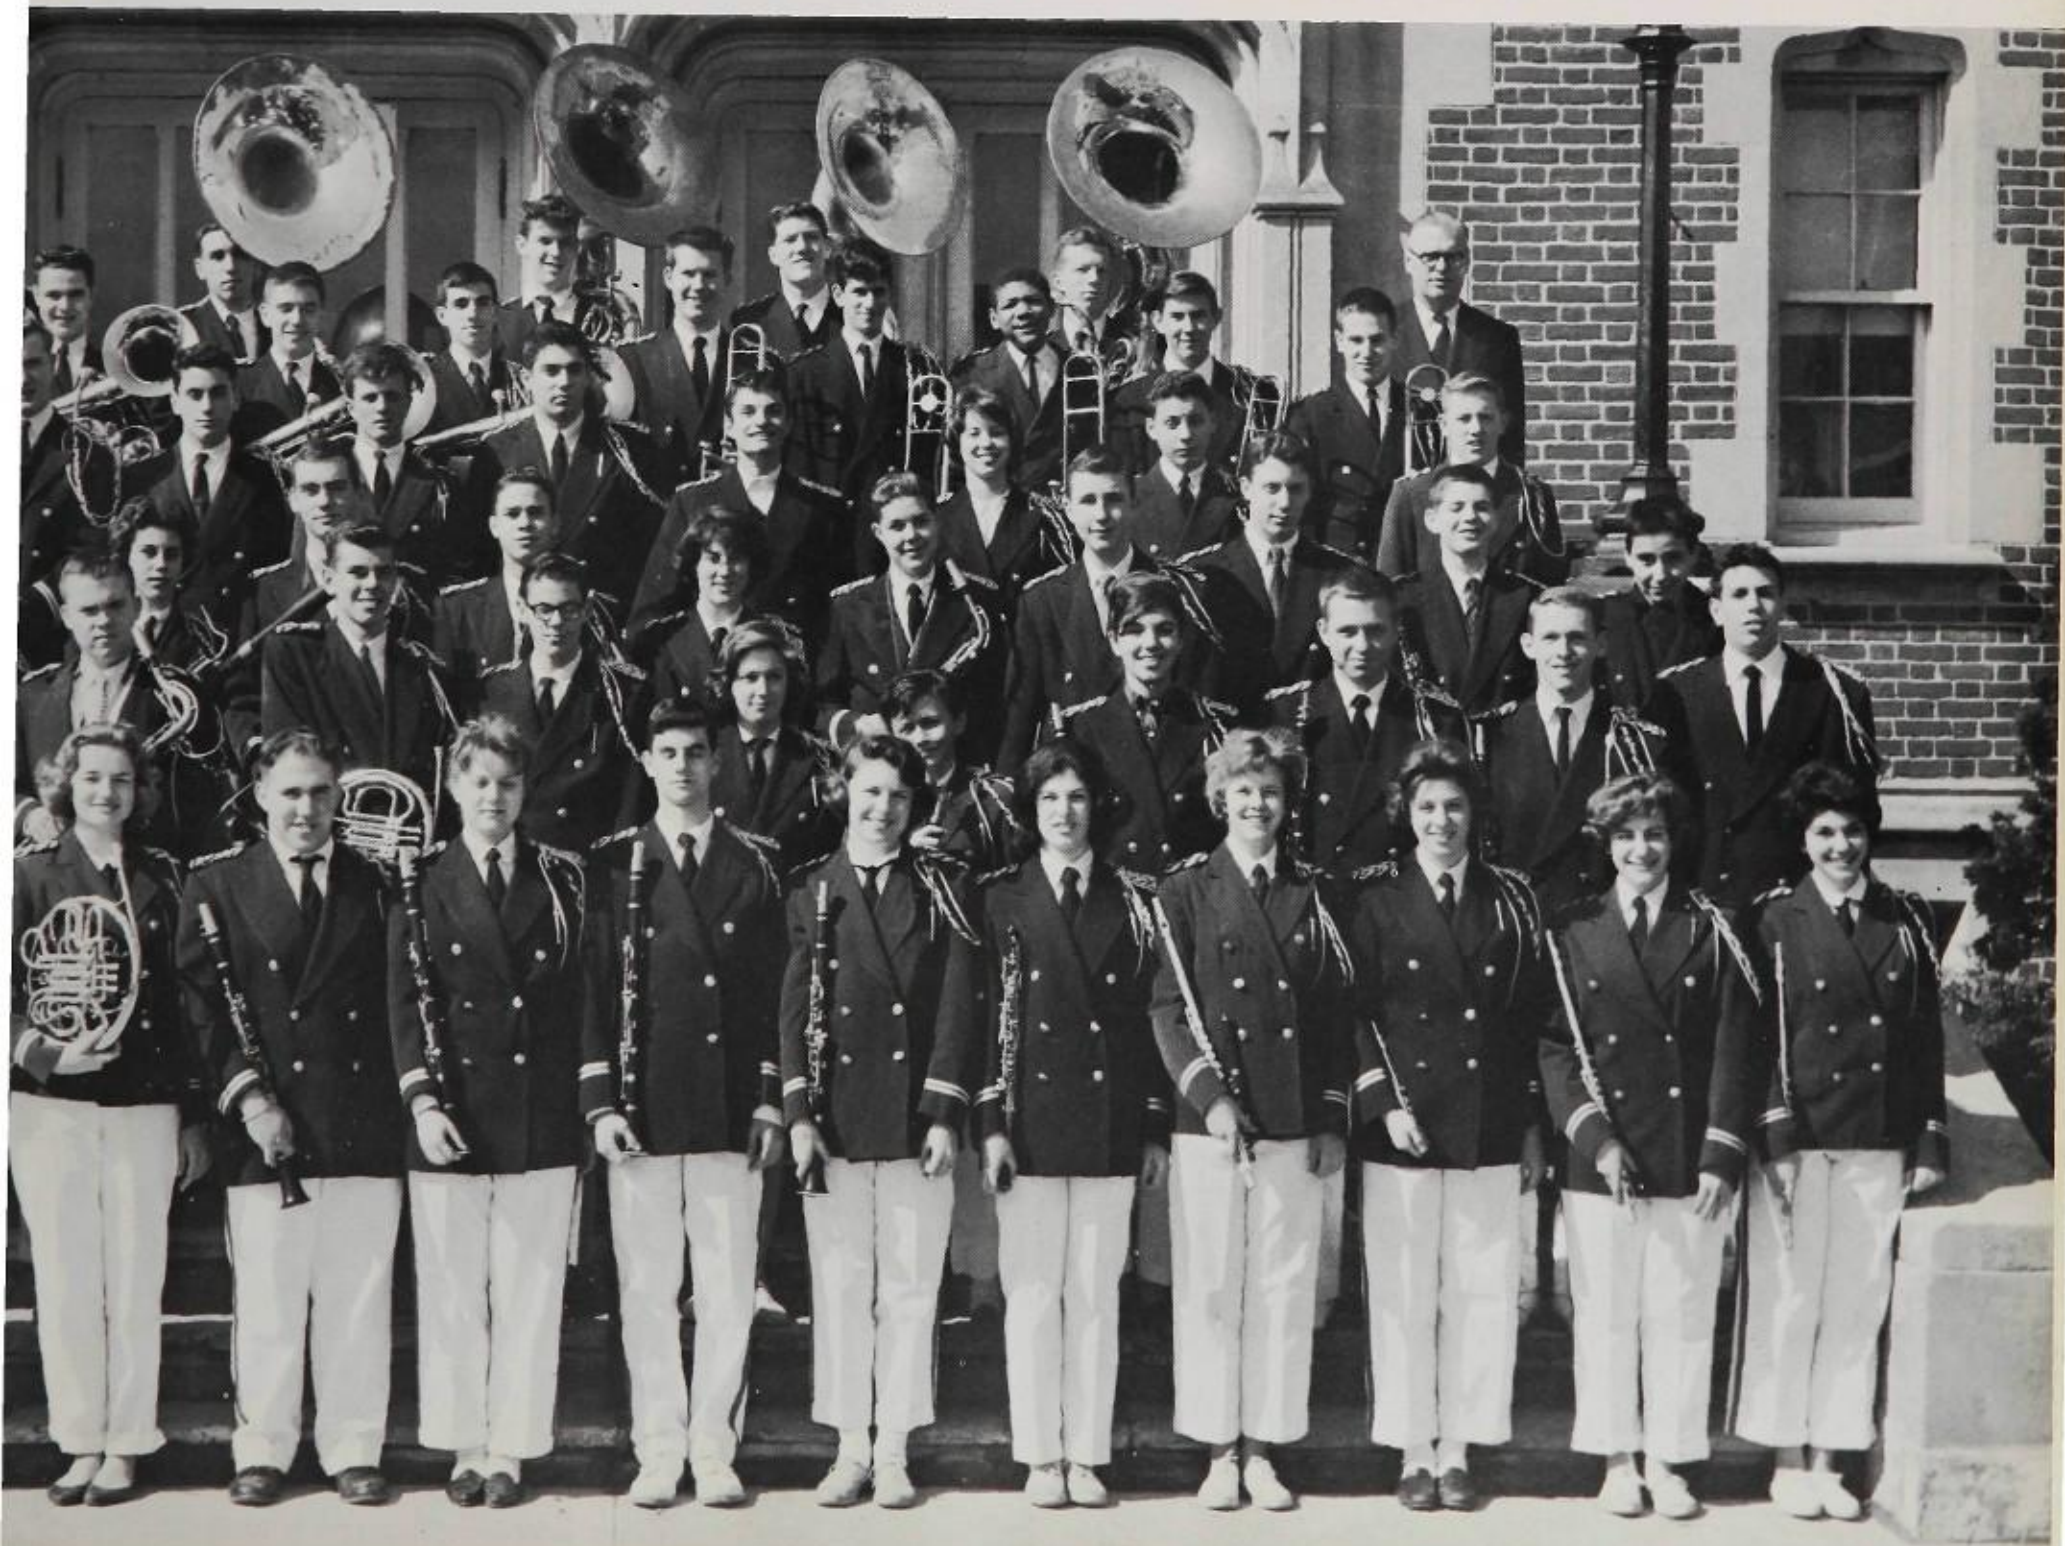

With the completion of the beautiful music room, the orchestra was no longer forced to hold its rehearsals in the inadequate choir room. Classes, for each of the different sections, were conducted in the new practice rooms.

At the Annual Christmas Concert, the orchestra, following a tradition of many years, joined the choir in the stirring "Hallelujah Chorus" from Handel's "Messiah." It also played "The Christmas Overture" by S. Coleridge Taylor, "The March of the Kings" and "Sleigh Ride," both arranged by Leroy Anderson. At the Annual Spring Concert, the orchestra played many popular selections including "The Flower Drum Song" by Richard Rogers and the "Beethoven Concerto #3 in C minor."

New Rochelle High School has good reason to be proud of its orchestra, one of the most outstanding groups in its school program.

The Huguenot Herald

Under the guidance of Mr. Edward Ducharme, Faculty Advisor, and Roger Sanjek, Editor-in-Chief, the Huguenot Herald has related intra-school news to the student body and the community.

Every year members of the Herald have attended the Annual Columbia Scholastic Press Association Convention. The affair is a three day event held in March at Columbia University and consists of lectures and discussions concerning the improvement of school newspapers. For the past several years, the Huguenot Herald of New Rochelle High School has received high ratings at this event.

The Business Department, under the capable management of Ken Kraus, has solicited ads that pay half the printing cost of the Herald, which is published seven times a year. The General Organization pays the remaining cost.

FOREIGN STUDENTS

TAN WEE KIAT

I was born Tan Wee Kiat, number ten in a family of sixteen children, and have been enjoying life ever since—sometimes at the expense of others. Three months ago, I would have considered anyone insane who told me that I would be in the United States before long. Now, I wouldn't be surprised if I were told I might make the moon.

This trip to the United States has certainly confirmed some of my preconceived notions and disproved others that I had formed of America. More important, I had the opportunity to dig beneath stereotyped ideas about Americans to discover the real American. All in all, America must be what I unconsciously expected it to be, for I feel completely at home, and have the uncanny feeling that I have seen everything before.

My stay here includes attendance at three American schools, New Rochelle High being the last. I can ask for no better school to go to before making my return voyage. It is a happy medium between my first and second schools. The first, Bayside High, is a metropolis of 4,300 students. The second, Dwight Morrow High, is a hamlet of 800. New Rochelle, with its 2,300 or so students embodies the spirit of the new American generation, aware and self-critical. I gained the feeling of being accepted so quickly here that New Rochelle will always have a special place in my heart.

VERA IVKOVIC

I am Vera Ivkovic, a New York Herald Tribune exchange student to the United States of America. I am very happy that during the period of three months I had the opportunity to visit your school and to know you.

This trip and my unforgettable stay in your country are great experiences for me, probably the greatest that I'll ever have.

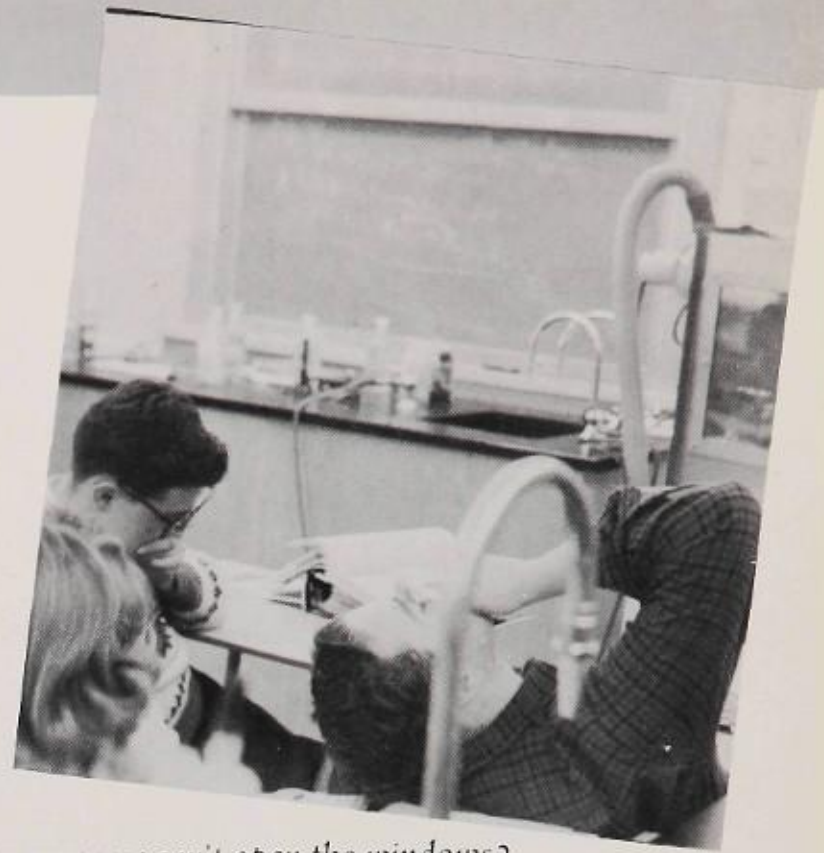

You need to travel, to meet people, to see conditions under which they live and to understand that people are the same everywhere in the world. First thing that we have in common is we all are human beings. Our interests can be different; our natures different too, but no body can say we are different in our basic needs. We have always struggled for our freedom; millions have lost their lives to be able to call their sons Yugoslavians. And today, no matter how our political systems are different, we all are for one thing, for peace, human, universal peace, happiness for everyone.

Nothing is for ever; everything will pass. The future of the world belongs to us, to the young people everywhere. It is not enough to hope for a peace, we must believe in it, do everything for it. First thing we have to do is to know each other. So I can say only "Milo mi je" which means in your language, "I am glad to know you."

CHEERLEADERS

The 1961 New Rochelle High School cheerleaders displayed enthusiastic spirit at games and pep rallies at home and away. Organized, vivacious leadership was provided by the capable co-captains, Joyce Barron and Jane Gristle. The girls were proud to lead the crowds that cheered our undefeated football team to every victory.

Sponsored by Mrs. Morrison and by Mrs. Appel, the squad included Joyce Barron, Joan Bell, Betsy Enos, Nancy Glasner, Irene Green, Jane Gristle, Ellen Harrison, Diane Mayer, Karen Metzger, Brenda Riley, Fran Seiden, Joann Shoop, Claire Sidelman, Nancy Steinhaus, and Laura Whitehorn. Alternates Linda Joseph, Marge Levy, Sue Mayer, Elsie Planje, and Marge Sachs assisted the squad. Stan Cooper, Paul Davis, Clovis Gentilhomme, Dave Graham, Terry Hollstein, Paul Lamparella, John M. Mazullo, and Bill Standing added excellent masculine support.

The spirit of New Rochelle High School was exemplified by the squad of 1961, one of the peppiest, most proficient squads in the history of the school. We will always be proud of their performance at the twelfth annual cheerleading Festival held at White Plains County Center on March 15. They were the first New Rochelle cheerleaders to win a trophy at this event.

TWIRLERS

The new, sparkling white uniforms with purple trim added to the New Rochelle High School twirlers' graceful performance at halftimes. Under the skillful leadership of vibrant drum major-ette Joan Waldron, the twirlers demonstrated their skill in routines and performed faultless exhibitions before admiring crowds.

Seniors—Barbara Jean Beckley, Beverly Bowman, Joyce Davis, Ruth Decker, Carol McKay, Judy Santoro, Judy Tatum, Jeylan Tekiner and Joan Waldron. Juniors—Dayle Ball, Ruth Jelline, Marge Moses, Helga Nelsen, Cheryl Ranges, Janet Scali and Jane Winters assisted by Sophomores—Diane Cerreta, Caroline Hammel, Amy Kaplan, Nikki Mayer, Val Mayer, Marcia Van Gemert, Ann Wallach, Barbara Weiner and Audrey Weinstein composed the squad.

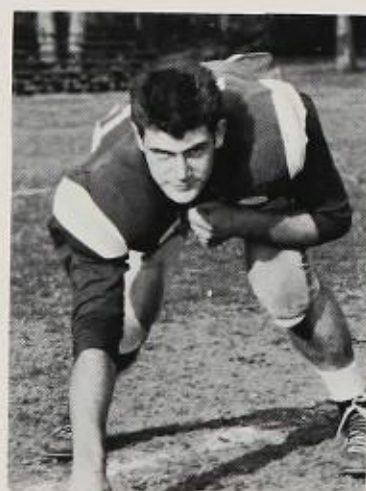

The 1960 Thanksgiving Day game was marked as a perfect day with floats, cheerleaders, band, bandboosters, a victorious team and the precision grace of our wonderful twirlers.

VARSITY FOOTBALL

The spectacular achievements of New Rochelle's 1960 football team will always be remembered by New Rochelle and by all of Westchester. Under the superb coaching of Lou Amonson, Paul Ryan, and Rick Yacone, and the spirited leadership of co-captains Denny Barrett and Bob Conte, the New Rochelle team rolled smoothly through the season, defeating each of its traditional foes by a margin of three or more touchdowns.

On a great all around team, Denny Barrett and Bob Conte shone above the rest. They were elected Most Valuable Back and Most Valuable Lineman, respectively, by the All-County poll. Barrett's magnificent record of 60 completed passes out of 78 attempts is almost incredible.

The team will also long be remembered for the "Whales," the seven husky linemen who made our defense so formidable.

The list of honors and awards stacked up by the team and its players is too long for all to be mentioned here. It was voted the top team in the state in a survey of coaches and sportswriters conducted by *Scholastic Coach* magazine. It led the metropolitan area in scoring with an average of 35.5 points per game. Three players, quarterback Denny Barrett, right tackle Bob Conte, and left half-back Gene MacDonald made the All-County First String Team in the poll by the county's sportswriters. Right-end Ray Pasqua and left tackle Jim Reynolds made the Second String Team, and left-end Richard Roundtree made the Third String Team. Conte and MacDonald were picked by *Scholastic Coach* to the all American High School Team.

In well deserved recognition of the great ability and selfless devotion he has shown as the head coach of the team, Lou Amonson received the Coach of the Year Award in the All-County sportswriters survey.

While we are confident that New Rochelle will continue to produce winning teams in the future, we cannot help but feel that it will be many years before another such team graces our school, or any other in the metropolitan area.

BAND BOOSTERS

In June of last year, a new group was formed at New Rochelle High School, called "Band Boosters." Under the capable direction of Mr. Bryant Minot, these girls, captained by Betsy Gross and Linda Kalmanson have had as their main objective the promotion of student spirit.

The eighty girls developed into a most enterprising group, not only did they perform graceful, interesting

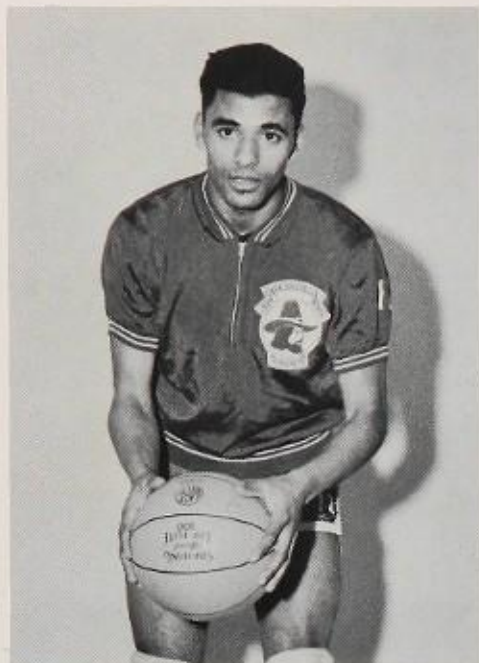

dances to inspire our band, but also showed ingenuity in making their own uniforms.

This group, though new, has developed such a following, that we are sure the Band Boosters will become a necessary part of our school activities. We owe a sincere vote of thanks to these conscientious and talented girls who have contributed so much to our school football games.

BASKETBALL

Coach Paul Ryan's cagers finished this season with a 9-8 record. In the Section tournament the Purples were defeated by A. B. Davis in the quarter-final round after having beaten Scarsdale.

Seniors Lee Woodward and Nick Wood were the leading scorers while Dick Rountree, Hal Smalls, and Al Peters, who was voted the outstanding sophomore in the WIAA, rounded out the starting five. Walt Siegel, Dave Rosenbloom, Reggie Riley, and Al Lee all saw frequent action.

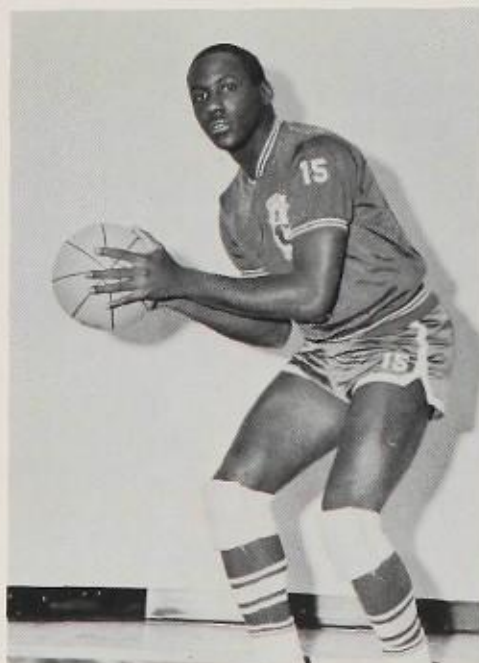

A highlight of the season was a trip to Schenectady; here the Huguenots, accompanied by the White Plains squad, played Amsterdam and Linton Highs. The latter team had been unbeaten in forty-four straight contests. The Purples outplayed the upstaters for the last three periods but an early Linton lead stood up.

VARSITY HOCKEY

Bobby Schwartz has been almost the whole story for the New Rochelle hockey team this year. The diminutive wing has scored eight goals in seven league games to lead the pucksters to a 3-3-1 record and fourth place in the Westchester Inter-scholastic Hockey League.

The Purples got off to a slow start, losing three of their first four games to Sleepy Hollow, Ossining, and Greenwich. The lone win was against Mamaroneck, 2-1, as Schwartz and Mike Escott scored and Ken Kramer played his usual masterful game in the nets.

Then both Schwartz and the Huguenots got hot. Scoring two successive hat tricks, that is three goals in one game, Schwartz propelled the pucksters to a 3-1 win over Mamaroneck and a 3-3 tie with Darien, a league leader. New Rochelle then stretched its undefeated string to three with a 3-1 victory over Sleepy Hollow. Billy Edwards, Mike Escott, and Ricky Otto all scored and netminder Kramer was terrific.

Defensemen John Gallin, co-captain of the team with Schwartz, Jeff Wright, and Dave Richman form a formidable trio designed to stop enemy penetration. Alan Webber is a capable substitute for Kramer and should see plenty of action next year.

SWIMMING

This year's swimming team was one of the best in New Rochelle High history, having compiled a 5-1 record by midseason. The Purples swamped Peekskill, A. B. Davis, Mamaroneck, Yonkers, and Iona, and suffered a narrow defeat to White Plains. Seniors Steve Schock and Gus Stenroos, and junior Charlie Lane were the outstanding members of coach John Keller's crew.

The "freestyle" races were divided among Stenroos, Sheldon Close, Chip Sloan, Len Cortell, Russ Rosen, and Richard Emory. Schock and Pete Volkmar swam the breaststroke; Evan Charmatz and C. Close, the butterfly; and Lane and Bob Markowitz, the backstroke. The Huguenot freestyle relay team was composed of Rosen, Stenroos, Cortell, and Emory; while Sloan, Schock, Markowitz, and Lane were members of the medley relay squad. Brian Leonard handled the diving chores.

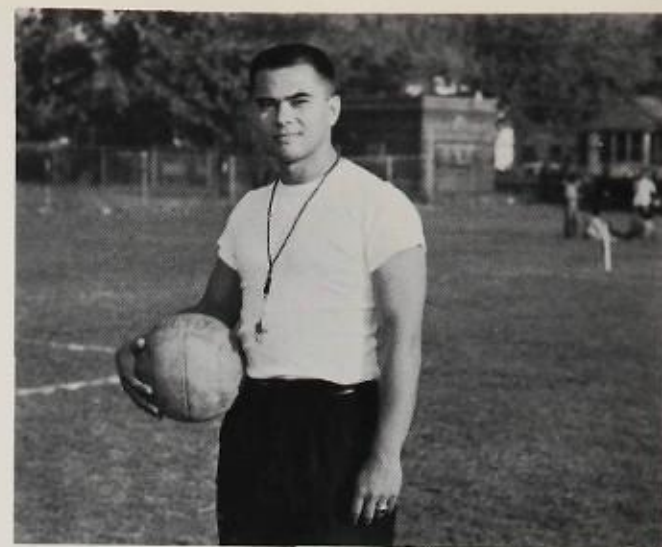

WRESTLING

The Huguenot wrestling team got off to a slow start, but then switched to high gear. Although it lost the first three meets, it eventually became the best high school squad in Westchester County for the second straight year. Co-captains and defending Section champs Richie Crocitto and Denny Barrett were the sparkplugs of the grapplers.

Seniors Andy Simon, Lind Weidlich, Bill Brown, and Jim Reynolds are departing, but coach Charlie Shinohara will retain sophomores Charlie Pinckney and Roger Heimann, and junior Carlos Rodriguez. All of the matmen were given a good chance of winning individual Section 1 Titles in the meet that followed the regular schedule.

SOCCER

The New Rochelle High soccer team was able to salvage one win this season, that over Concordia. It finished with a 1-9-2 record. Many of the games were close, and a little help from Lady Luck would have almost completely reversed the ledger.

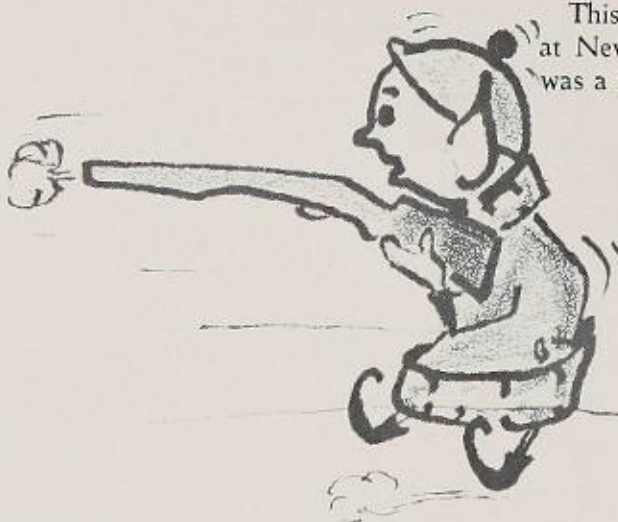

Center-forward George Heck and goalie Steve Platt were the standouts for the booters; they received additional support from Richie Crocitto, co-captain of the team with Heck, Tom Blevins, John and Charlie Bullard, Lee Woodward, Tom Hedder, Al Janeczek, and Mark Bailey.

This was only the second year of varsity soccer at New Rochelle, and early season inexperience was a major factor.

RIFLERY

The rifle team, under the tutelage of Coach Calvin Wintman, placed third in both the W.I.R.L. and the Section 1 Tournament which was held after regular season play. Top guns for the marksmen were captain Peter Leifert, Andy Simon, Bob Strumor, Ed Kessler, Bob Weinstein, Lewis Ames, and Bob Moore.

League wins were achieved over A. B. Davis, Mamaroneck, Roosevelt, and Port Chester, each twice; the losses were suffered at the hands of perennial powers, Scarsdale and Stepinac. Strumor, a sophomore, will be next year's captain, and Ames and Moore will also return. A rifle club was formed in March for students wishing to improve their marksmanship.

BASEBALL

One of the strongest baseball teams in New Rochelle High School history will take the field this year. Six starters from last season's W.I.A.A. winners are returning, and a promising group of juniors should capably fill the remaining positions.

The right side of the infield is pretty well set with Joe Muili and George Heck playing first and second base, respectively. Coach John Keller has nominated slick fielding Billy Lore to start at shortstop while Joe Fiebiger will probably open at third base. Catcher Dick Repsher will handle a talented pitching staff composed of John Vaccaro, Don Dempsey, and Lee Woodward.

The outfield situation is a little more complex. Vaccaro and Dempsey will start when they are not pitching and will be joined by Harry Greenfield and Willie Mays, younger brother of slug-ging San Francisco Giant centerfielder.

The team has been practicing both at City Park, where all home games will be played, and in the new gym. Coach Keller has put particular emphasis on conditioning and the basic fundamentals.

SPRING TRACK

New Rochelle's formidable track team was coached by Wally Pina. Leslie Dos Reis and Richard Roundtree were co-captains. Managers Pete ("Red") Hayes and Tom Blunt greatly assisted in handling the team's practical affairs.

Outstanding sprinters were Charles Groves, Carl Roper, Guy Moss, and Richard Macafity, who ran the 880 relay. Groves, Moss, and Macafity also ran the 100 and 200 yd. dashes. In the longer distances, "Skip" James, Bob Cunneen, and Peter Porn ran the quarter mile; Nicky Wood, James Logan, Homer Hamilton, and Gerald Roper ran the half, and Richard Bouer, Ronnie O'Gilvie, and Antony Dos Reis ran the mile. Smoothing out the hurdles were Carl Roper, Mark Bailey, Freeman Butcher and Bob Markowitz.

In the field events, Captain Rountree, and Ronald Coleman were the outstanding high-jumpers, while Nathaniel Riddick, Dieter Gluck, Raymond Jones, and Capt. Dos Reis competed in the broad-jump, and the hop, step, and jump. Richard Crocitto, Andy Simon, and Roger Heimann were pole-vaulters. Bob Walker, Edwin Austin, Alan Bromley, and Jay Siegel heaved the twelve pound shot, and threw the discus.

CROSS COUNTRY

A meager turnout and lack of student support were the major reasons for a disappointing season by the cross-country squad. All-County selection Nicky Wood, however, was the individual winner in the W.I.A.A. Championships, and paced the harriers to a third place finish behind Ossining and White Plains.

Coach Wally Pina singled out Ron O'Gilvie and Richie Bauer for their consistent performances throughout the year and hopefully pointed to the return of George Yizar, Harry Greenfield, Gundars Rudzitis, and Dave Hirsch as indication for a successful season next fall.

GOLF

The Huguenot Golfers opened their season by defeating Iona, $5\frac{1}{2}$ - $3\frac{1}{2}$, with Gene Borenstein and Mike Frankel leading the way. The two juniors, playing in the second foursome, swept all three points from their opponents. Russ Rosen and Richard Brosman won $2\frac{1}{2}$ points while Chris Sanger and Jimmey Siegel dropped all three.

Jeff Josefson, co-captain with Siegel, is expected to see plenty of action this year as may sophomore Harry Mullens and Bobby Siegel, a ninth-grader. Highlights of the season will be the Westchester Junior Open, the Section Championships, and a home and home series against Stepinac, the county's leading Team.

TENNIS

The Purple Tennis Team stretched its winning string to twenty-five as they overpowered A. B. Davis, 5-0. Walt Siegel, Jesse Rodman, Mark Scheffler, Fred Heimann, Mike Banks, Sam Pers, and Ricky Begun, all contributed to the victory. This bodes well for next year as all are either sophomores or juniors.

Seniors, John Gallin, Dave Mandell and Buddy Motzken, and junior Lou Greenstein, are all expected to play important roles as the season progresses. The squad has been forced to practice at both Isaac Young and the High School.

BOWLING

The Huguenot bowling team finished in fifth place in the WIBL behind Port Chester, White Plains, Roosevelt, and Mamaroneck. Co-captains Mickey Cahn, one of the top five keggers in the league with a 190 average, and Mike Cascio, led the team which included Martin Silver, Bruce Raines, Fred Frank, Phil Cowan, Mike Kolevzon, Tom Lajudice, and Ed Johnston. Matches were held Monday afternoons at Rogers bowling alleys.

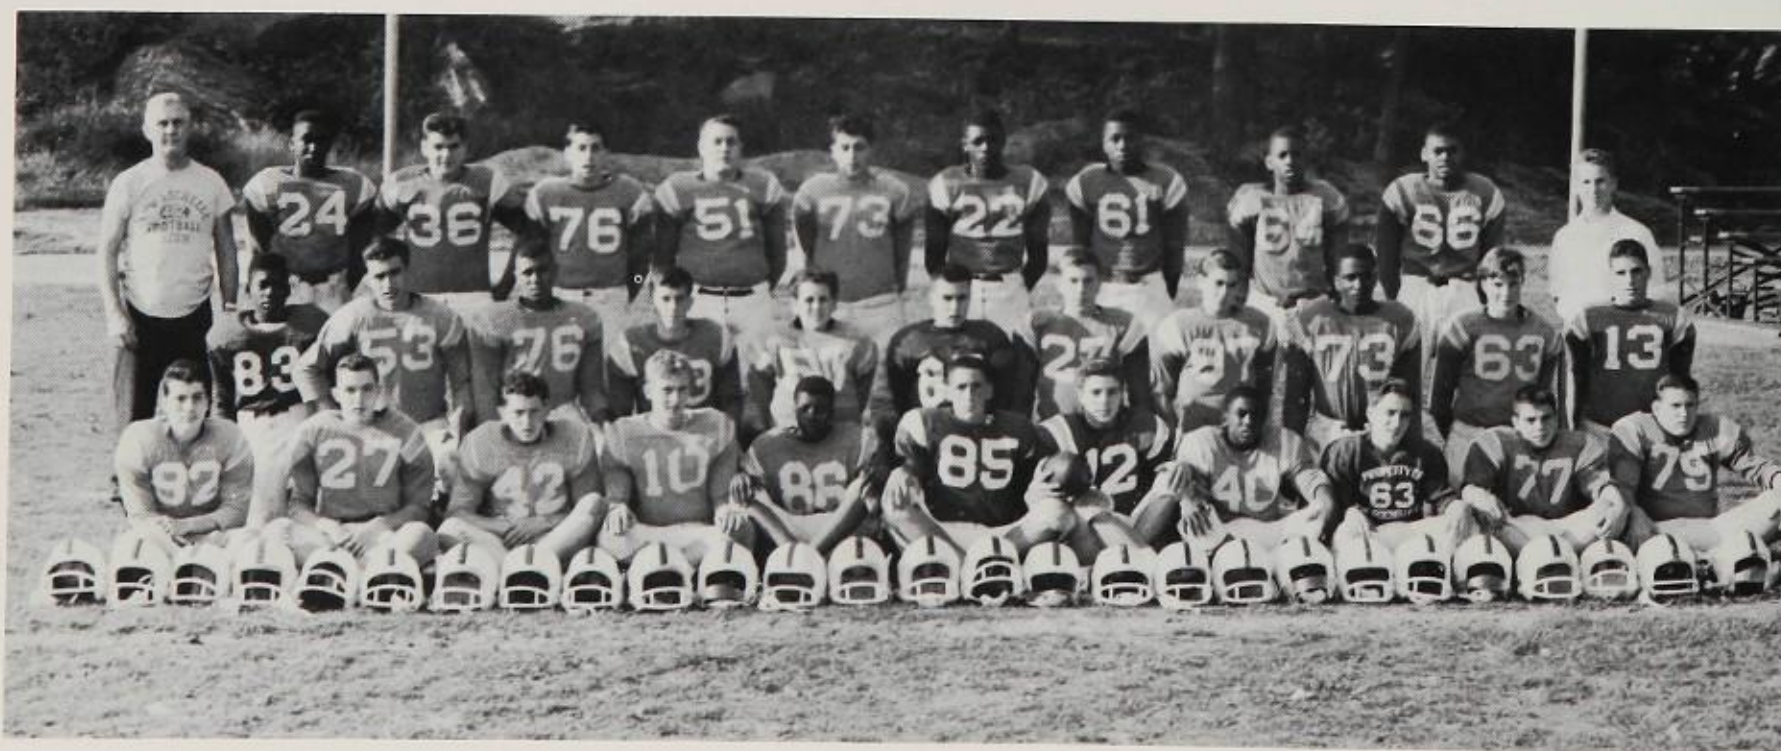

J.V. FOOTBALL

New Rochelle's junior varsity football team, under the coaching of Mr. Keller, Mr. Yacone, and Mr. Gaston, rolled through its four game season undefeated. The vanquished rivals were Stepinac, Mt. St. Michael, Iona, and White Plains.

Among the players for next year's varsity backfield are Walter Carbone, Louis Edney, Bob Marsh, Felton Mills, and Richard Macafity. All of the boys are excellent prospects for the team.

Promising linemen include ends Paul Hamlin and Norman Cohn, defensive tackles Mike Sestone and Kevin Adrian, guards Bob Sloane and Johnny Strassberger, and centers John Fisher and Thomas Blount.

With the large number of promising players produced by this year's J.V. team, New Rochelle will have strong varsity teams for the next two seasons.

J.V. HOCKEY

A New Rochelle High Jayvee hockey team, called by Coach Arthur Morgan "the best I've ever had," split the two games played this year. A win was registered over Sleepy Hollow, but the Little Purples were defeated by White Plains.

The first line was composed of John Glickman, Kenny Davidson, and Pete Manus. Roger Heinman and Dave Ruhman were the defensemen, while Alan Webber and Larry Klenghoffer shared the goaltending chores.

J.V. BASEBALL

New Rochelle's junior varsity baseball team, coached by Mr. Charles Shinohara, has produced many good prospects for next year's variety team.

The most promising players at the beginning of the eleven-game season were Steven Gold at first base, James Murphy at second, Bill Lapham at short-stop, and Norman Cohen at third. In the outfield were, Wayman Newsome in right, Richard Marks in center, and Bob Corbin in left. Starting pitcher was George Borroli, throwing to Antony Zaccolillo behind the plate. Another short-stop, Pete Hodges, was considered good enough to work out with the varsity team.

J.V. BASKETBALL

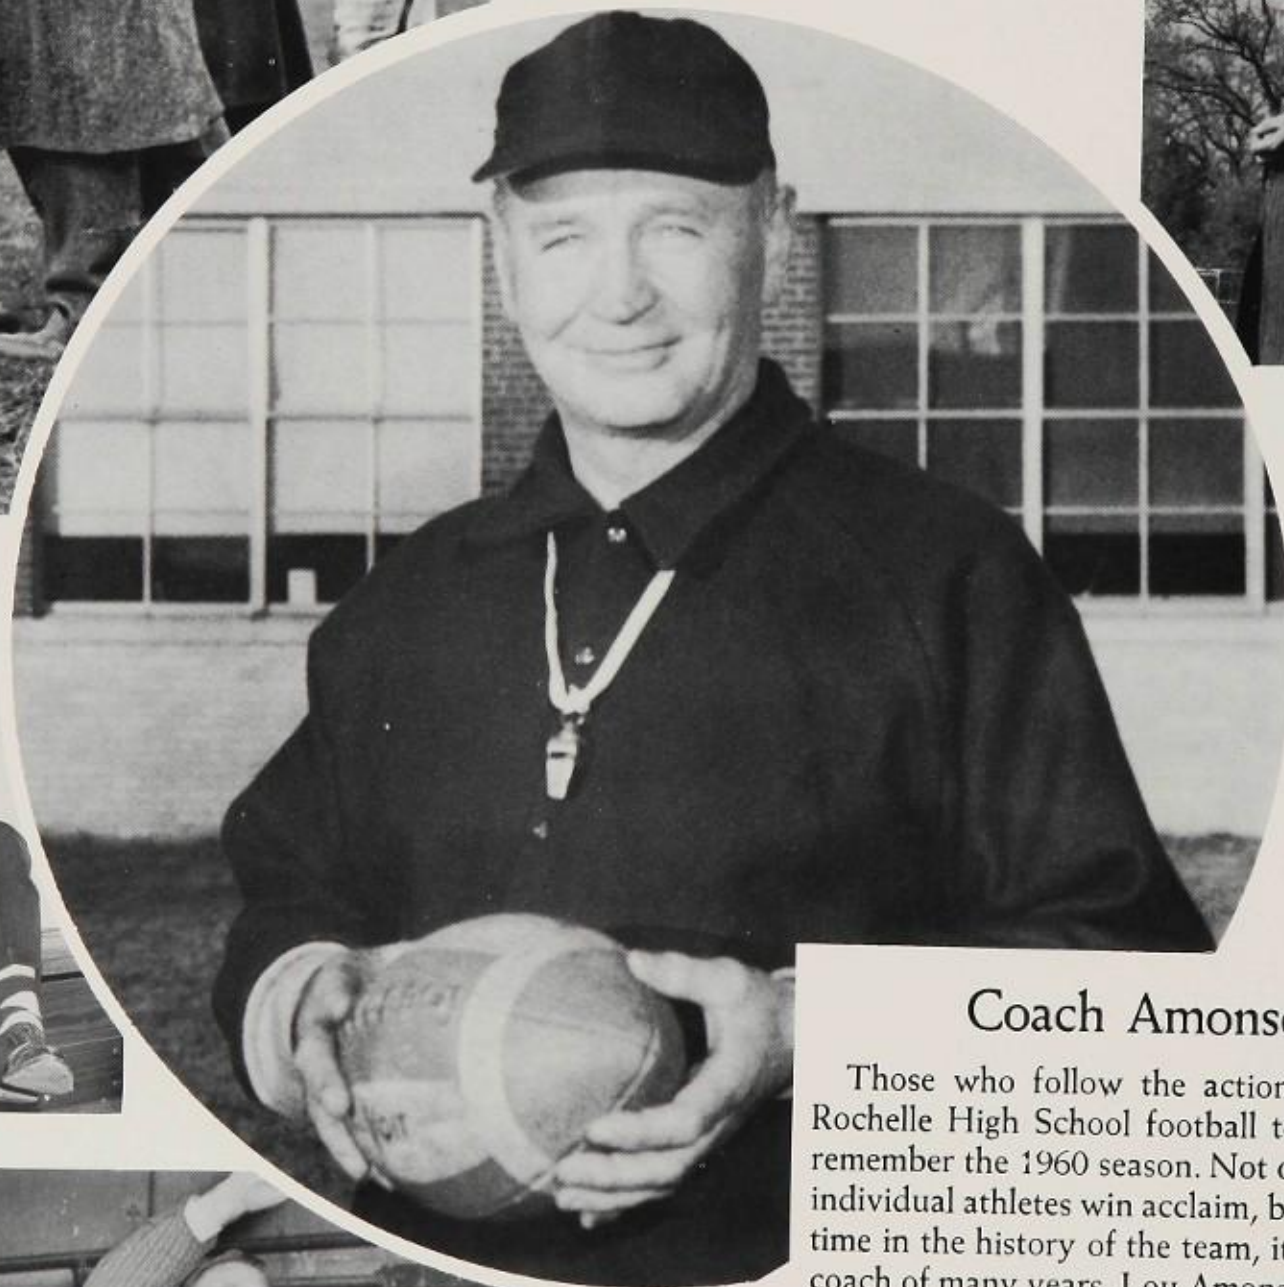

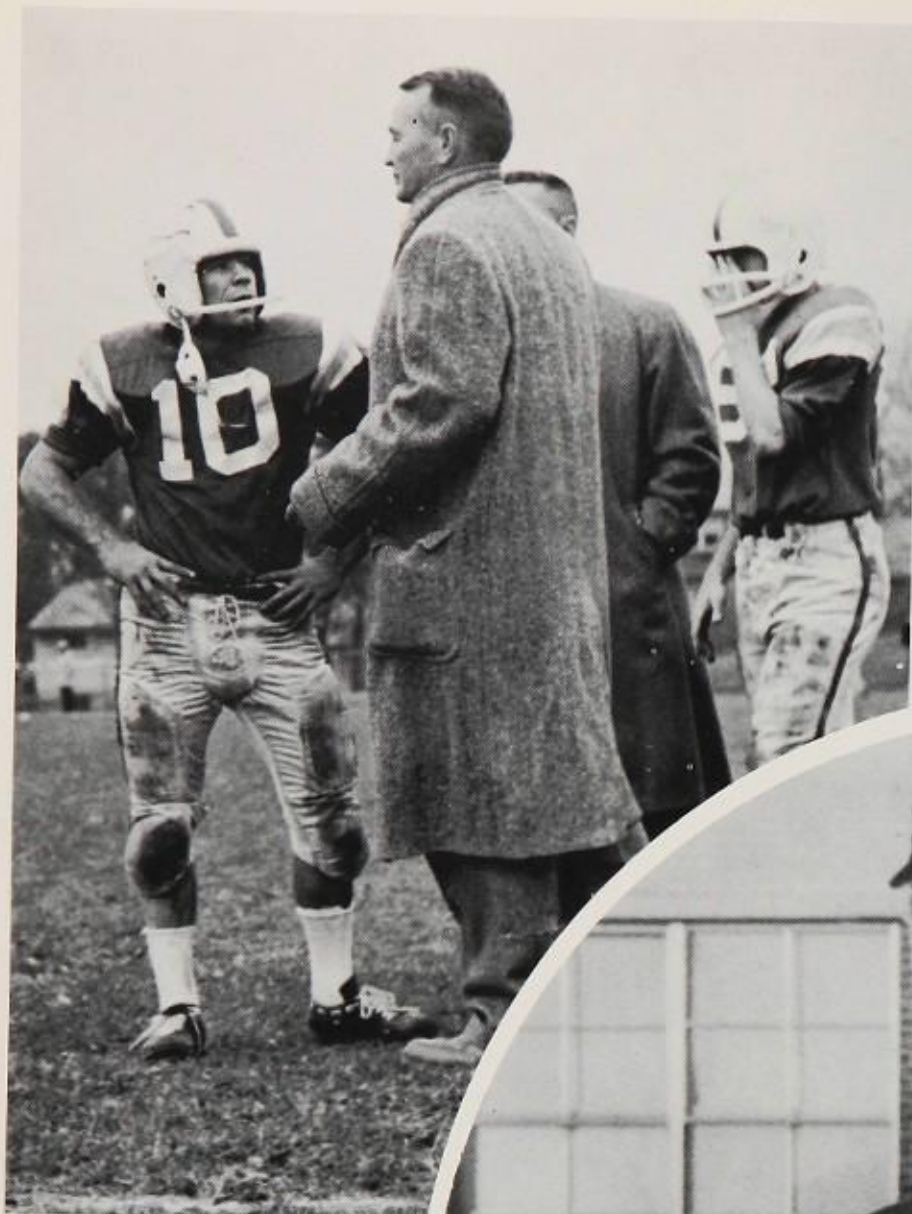

The junior varsity basketball team experienced a mediocre season but produced some fine talent that should augment the varsity squad during the next two years. Bob Sloan, Dennis Meier, Tom Scott, and Homer Hamilton were the leading cagers for coach Dan O'Brien, who once held the same capacity for the varsity and volunteered to coach the J.V. this fall.

Finishing fourth in the WIAA behind A. B. Davis, White Plains, and Yonkers, the squad finished with a commendable 7-5 record. The promotion of Al Peters, one of the most able sophomores in New Rochelle history, to the varsity, dealt a severe blow to the Little Purple's title hopes.

"Coach of the Year"

LOUIS AMONSON
1960

Coach Amonson

Those who follow the action of the New Rochelle High School football team will long remember the 1960 season. Not only did many individual athletes win acclaim, but for the first time in the history of the team, its outstanding coach of many years, Lou Amonson, was chosen "Coach of the Year."

Culminating many seasons of hard work and disappointments, the team finally compiled an undefeated record for the first time since 1935, and was named New York State Champions. This could not have been achieved without the excellent direction and great devotion of Coach Amonson, whose confidence in the players, unflagging interest, and fine coaching ability have gained for him a position of highest respect and distinction.

New Rochelle High School is grateful to you, Lou Amonson, for the honor which you have brought to the school, and dedicates the sports section of the 1961 *Rochellean* to you.

Dear Miss Coons,

We, the Class of 1961, cordially invite you to attend the reunion of our class on Friday, June 27, through Sunday, June 29, for the purpose of reminiscing over the wonderful times we had in New Rochelle High School.

To begin the festivities, a receiving line will be waiting to welcome you on Friday evening. Assembled there to honor you as you enter will be Maddy Topper, glamorous Hollywood actress of great fame, escorted by Alexander Braun, popular screen star. Both have just completed their latest box office hit which critics claim to be the most outstanding performance in motion picture history. Next on line to greet you will be the most dynamic leaders New Rochelle ever had: David Graham, Mayor; Judy Siegel, Councilwoman; Claire Sidelman, City Manager; and Carol Yacolucci, Tax Collector.

After dinner, everyone will assemble to witness the greatest show on earth. Heading the list of entertainers will be Debby Kasin who will perform a number of characteristic dances to the accompaniment of a four-piece orchestra composed of Lily Meizner, oboist; Alice Kogan, flutist; Barbara Trushin, clarinetist; and Katherine Bates, pianist. Next, "Sachmo" Louis Armstrong's successor, Buddy Fatone, will present his own rendition of the "St. Louis Blues" on his "golden-throated" trumpet. Added attractions will include Phil Cowan's dramatic monologue, Margie Levy's operatic aria from "Carmen," Clovis Gentilhomme's folk singing, Richard Strauss's comic routines, and Herb Curtin's art work. Bringing the stage show to a close will be Louise Sherman and her Stradivarius playing the "Blue Danube Waltz." The evening will terminate with a grand prom planned by Betsy Enos and Terry Holstein, chairman and co-chairman respectively. Lending a helping hand with the decorations will be John M. Mazzullo, Marcy Rosen, Judy Galewitz, and Brucie Buckingham. Danny Kulick's band has been appointed to supply the rhythmic beats so vitally important for the success of the dance.

Saturday, being dedicated entirely to sports, promises to hold a great deal of excitement in store for all. At ten o'clock we shall gather around McKenna Field in eager anticipation of the awarding of trophies to the following Olympic stars for their outstanding performances on the Moon three months ago: Carl Roper, track star; Denny Barrett, decathlon champion; Gus Stenroos, swimming sensation; and Lee Woodward, basketball ace. At one o'clock in the afternoon, the rocket team, led by Andy Simon, will demonstrate their accuracy in splitting birds' eggs at a five hundred yard range. Following this exhibition of mastered skill, the tennis team, captained by John Gallin, will endeavor to prove to its spectators that it is quite possible to play the game on ice.

Sunday will be spent leisurely, thus enabling the entertainers of the previous day to regain their strength. Everyone will meet in the auditorium where couturiers Annette Starnoli, Mary Ann Losito, and Sara Balascio, will demonstrate the latest creations in hairstyling and the necessity of good grooming. A fashion show, featuring such lovely models as Bonnie Vanderslice, Virginia Smith, and Wylene Dorsey, will display their originality in dress design. A forum will then be conducted by Judy Pinto, Virginia Stevens, and Joyce Dubie on the various opportunities available to efficient businesswomen. Ronnay Harrison will then follow with a speech on the qualities necessary for sophistication. As a special treat, Judy Trauner, famed authoress renowned for her collection of French essays entitled "Ma Vie en France," will answer the questions of the following school teachers concerning her book: Joan Bell, Jill Strauss, Shirley Froman, Joan Slater, Nancy Ritvo, and Miriam Goodfriend. Hal Kaufman, talented architect, will present us with a sneak preview of the types of buildings which will dominate the last quarter of the twentieth century. We deeply regret the absence of Dieter Gluck, our ambassador to outer planetary regions, who is still attempting to sell his newest invention, the inter-galaxy ballistic explorer satellite, to the Martians. John Seeman, commentator, will end the events and this reunion by presenting the Key to New Rochelle to the one person who has achieved the greatest success.

Miss Coons, we are eagerly looking forward to seeing you at this spectacular affair, knowing that only with you present, can this reunion be an overwhelming success.

Sincerely,
Class of 1961
